

Privacy Policy

Summary:

We value your privacy and assure you that your contact information will not be shared with third parties without your consent. We primarily use this information to verify your registration and inform you about future events. However, with your permission during registration, we may share your basic contact details with sponsors.

Collection of Information:

We collect information directly from you when you register for an event, fill out forms, or communicate with us. The information includes your email address, mailing address, and other relevant contact details required for event registration. Rest assured that all information provided is securely managed and accessed only by authorized agencies following stringent security protocols.

Use of Information:

We utilize the information we gather for various purposes, including but not limited to:

- Providing, maintaining, and improving our Services.
- Delivering the products and services you request, processing transactions, and sending related information such as confirmations and invoices.
- Sending you technical notices, updates, security alerts, and support and administrative messages.
- Responding to your comments, questions, and requests, and providing customer service.
- By accessing and using our Services, you consent to the processing and transfer of your information to India.

Sharing of Information:

We do not share or sell your information to vendors or third parties. However, for certain events you register for, we may seek your consent to share your contact information with authorized sponsors who might want to contact you regarding special promotions or discounts. Upon registration, you have the option to opt out of such communications. Instructions to unsubscribe will be provided in the emails you receive.

Promotional Communications:

Periodically, we will send you newsletters and emails that directly promote our conferences, events, and gatherings. If you wish to stop receiving these communications, you can indicate your preference by following the unsubscribe instructions in the emails. Please note that regardless of your email preferences, we may send you notices regarding updates to our Terms of Service or Privacy Policy.

Sensitive Personal Information:

We do not directly collect sensitive information such as credit card details or passport numbers (unless required for government clearance). The registration and payment processes are managed by authorized and secure platforms responsible for handling these sensitive details.

Cookies:

While browsing our websites or associated links, anonymous cookies may be placed on your computer by online ad networks we collaborate with. These cookies and similar technologies help us understand your interests based on your online activities, enabling us to deliver more relevant ads.

You have the option to accept or decline cookies. Most web browsers automatically accept cookies, but you can modify your browser settings to decline them. Please note that this will not prevent you from seeing ads; it will only affect the delivery of ads through these targeting methods.
